

Wednesday, 23rd September 2020

Dear Parents/Carers,

We are writing to inform you that late yesterday evening we have received confirmation that a pupil **not** within your child's School Bubble has tested positive for COVID-19.

In line with Public Health guidance the individual and household have now entered self-isolation.

We have also advised members of that School Bubble to enter isolation for 14 days, in line with government guidance.

I can assure you that the school are vigilant in following government and local authority guidance.

The school remains open to other children.

Information about coronavirus (COVID-19) is available on the government website:
<https://www.gov.uk/coronavirus>.

The health, safety and wellbeing of our children and staff is of paramount importance and we thank you for your continued support during these unprecedented times.

Yours Sincerely

Gail Lawton
Headteacher
